Guelph, ON – The 115<sup>th</sup> Annual Meeting of the Canadian Guernsey Association was held by conference call on Wednesday, March 25, 2020. The annual reports and minutes for both Ontario and Canada are posted on the website for you to review. If you wish to receive a hard copy, please contact the office. With the current COVID-19 pandemic the executive of the Canadian Guernsey Association made the forward-thinking decision to continue with the AGM as a conference call. This change to the format of the meeting allowed for participation of out-of-province members who otherwise would not have had the opportunity to participate. We thank the membership for their participation. The amendment to the constitution was approved and will be forwarded for ministerial approval.

The board of directors wish to thank Paul Noble, who has completed his term as director. We welcome Christian Kaiser, a new member from Quebec to the Canadian Guernsey board. Stay tuned for an upcoming herd profile on Christian Kaiser in the near future.

Breaking news, the 9<sup>th</sup> Annual Ontario Breeders' Cup now becomes the 2020 Canadian Guernsey Breeders' Cup. We are so excited to offer this competition to any member of Canadian Guernsey. All contest details and the entry form will be posted on the Canadian Guernsey Facebook page as well as attached. Please complete and submit prior to the deadline date of May 1<sup>st</sup>.

Immediately following the Annual Meeting, the board of directors elected their executive for 2020:
