# 2026 Annual General Meeting

The 121<sup>st</sup> Canadian Guernsey and 102<sup>nd</sup> Guernsey Cattle Breeders of Ontario Association held their Annual General Meeting virtually and in person at Brantford Ontario on Thursday March 26<sup>th</sup>.

Annual Awards were presented to breeders for top animals in a variety of categories; all awards can be viewed in the Annual Report.

Our guest speaker at this year's Annual Meeting was Jim Van Patter from Wisconsin, USA. Jim shared insights into his deep roots in the Guernsey breed and his ongoing commitment to improving productivity, efficiency, and animal care within the breed. If you are interested in viewing his presentation, please contact the Association at [guernseyinfo@holstein.ca](mailto:guernseyinfo@holstein.ca).

A special mention goes to Master Breeder, Scott Gordon. Congratulations on this well-deserved achievement!

We had another successful and fun auction, featuring a wide variety of items and goodies generously donated by our members. A big thank you to everyone who contributed and to all the buyers for your support!

Thanks was given to Paul MacLeod for his last 3 years as President of the Canadian Guernsey Association. His dedication, leadership and passion to see the breed move forward has been greatly appreciated.

The Annual Reports for both Associations are now available on our website at [www.guernseycanada.ca](http://www.guernseycanada.ca). Following the meeting, the Board of Directors elected Bruce Fuller as President and Christian Kaiser as Vice President of the Canadian Guernsey Association. Additionally, the Guernsey Cattle Breeders of Ontario Association re-elected Morris Bartlett as President and Marlin Martin as Vice President.

# Master Breeder

Animals bred and born within a 16-year birth time frame will be included in the Master Breeder calculation (2025 – birth yrs were 2006 to 2021). One or more females need to be born & registered in 14 of the 16 years. The National Herd Averages provided by Lactanet in March each year (use 2024 if exists else 2023) all members with total publishable records greater than five will be considered. A minimum of 3 Average Registrations per year is required and a minimum of 15 points earned per female registration is required to qualify for Master Breeder recognition. Only top qualifiers will be recognized yearly. The Master Breeder rules can be found on our website under “Resources” tab then under “News & Events”. This is our first Master Breeder recipient with the automated program.

**We would like to congratulate our 2025 Master Breeder Scott Gordon!  
 Congratulations Don Haven Guernsey from Rockwood, Ontario!**

Bydand Farm, home of Don Haven Guernsey’s owned by the Gordon family, traces its roots to March 1, 1938, when Walter Gordon purchased the 90-acre property east of Guelph after farming locally with his wife Mary. Starting as a mixed farm with Shorthorns, chickens, and horses, the operation gradually shifted to dairy, adding Holsteins in the 1950s and beginning milk shipments in 1956, with ongoing modernization through the decades. Ownership passed to John and Nancy Gordon in 1970, who transitioned fully to dairy by the 1990s while expanding infrastructure, and later to Katrina and the current owner in the early 2000s, who further improved facilities despite a devastating barn fire in 2014. Today, the herd includes Holsteins, Guernsey’s, and Ayrshires, with improved production supported by modern housing and feeding systems. Guernsey’s, introduced in the late 1980s to enhance milk components, became a passion beginning with a 4-H project cow and were later strengthened by key bloodlines such as Eby Manor Topaz Vesta, whose descendants now dominate the herd and have achieved significant show and production success, including national championships and top classification honors. The farm continues to support youth through 4-H involvement and has earned recognition within the industry, culminating in the receipt of the Canadian Guernsey Association’s Master Breeder award, a meaningful acknowledgment of decades of dedication and progress.

# Guernsey Star Brood

The Association has automated the Guernsey Star Brood program; our plan is to run the Star Brood program on December 31<sup>st</sup> of each year, and the Star Brood certificates are being mailed to active members of the Guernsey Association.

To become a Star Brood Cow, a dam must have two progeny that contribute points. Female progeny must earn at least one point for both production and type classification to contribute points to their dam’s star brood total. Male progeny will contribute points through classification.

Progeny born after January 1, 2004 with 75% purity or higher may contribute points to their dam’s star brood. Only Canadian classifications are eligible on the type of side; however, lactation records achieved in another country may be included in lifetime production.

The Star Brood rules can be found on our website under “Resources” tab then under “News & Events”.

**Below is the number of dams and how many stars they received:**

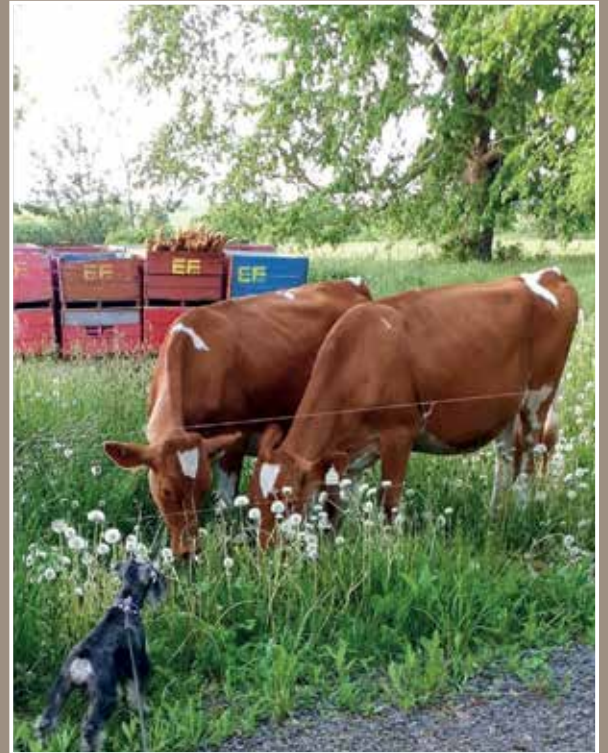

| Stars        | # Dams    |
|--------------|-----------|
| 1            | 22        |
| 2            | 18        |
| 3            | 8         |
| 4            | 2         |
| 5            | 1         |
| 6            | 1         |
| 7            | 1         |
| <b>Total</b> | <b>53</b> |

# President's Ramble

As your newly elected President, I'm pleased to introduce myself. My name is Bruce Fuller, and I partner with the Dillman family of Musque Valley Farms in producing high-quality Guernsey's, focusing on sound genetics and strong breed representation. It is a privilege to serve as President of the Canadian Guernsey Association. I look forward to working alongside our dedicated breeders to advance the Guernsey breed, strengthen our community, and encourage youth involvement across the country. My journey—from growing up on a farm in the Annapolis Valley to taking on a leadership role within the Guernsey community—has been shaped by a lifelong commitment to agriculture, family values, and a deep appreciation for the enduring qualities of the "Golden Guernsey." Together, I am confident we will continue to build a strong and vibrant future for the Guernsey breed in Canada!

- Bruce Fuller

National President

---

**Your Board of Directors has developed the following goals for the next three years:**

## **2026-2029 Strategic Goals**

1. Grow total membership to **75 members**.
2. Achieve **400 registrations annually**.
3. Increase the national average production to **400 kgs of butterfat** and **325 kgs of protein**.
4. Increase the number of **Guernsey animals available for sale**.
5. Continuing to **support the production of Guernsey dairy products**.
6. Encourage more Guernsey animals to participate in **genomic testing and classification programs**.

# Supporting Youth

## 4-H APPLICATION

**Congratulations to our 2025 4-H Scholarship Award winner, Hayley Taylor!**

Caption: Pictured at Bydand / Don Haven with Scott Gordon presenting Hayley with her \$500 Scholarship from the Association.

## EDUCATION SCHOLARSHIP

Attention: Reminder for students: Application for the scholarship are due on **August 1**. Please email [Guerseyinfo@holstein.ca](mailto:Guerseyinfo@holstein.ca) for an application or any questions.

 **CANADIAN GUERNSEY ASSOCIATION SCHOLARSHIP**

In memory of Lillian Beckwith & John F. Millsdale

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone No: \_\_\_\_\_

Age: \_\_\_\_\_

University or College: \_\_\_\_\_

Program: \_\_\_\_\_

**Eligibility:**

1. Must be active or have been active in the production of the Guernsey Breed.
2. Must be enrolled in a post secondary university or college.
3. No individual is eligible for a second award. Two successful applicants may re-apply, if eligible.
4. Return the application no later than August 1st.

Canadian Guernsey Association  
800-833-0100 70-Deerpark Place  
5950769 010 (Canada) 917-1366  
Tel: 514-782-0100  
Home: 5-855-782-0100  
Email: [Guerseyinfo@holstein.ca](mailto:Guerseyinfo@holstein.ca)

**AWARD**

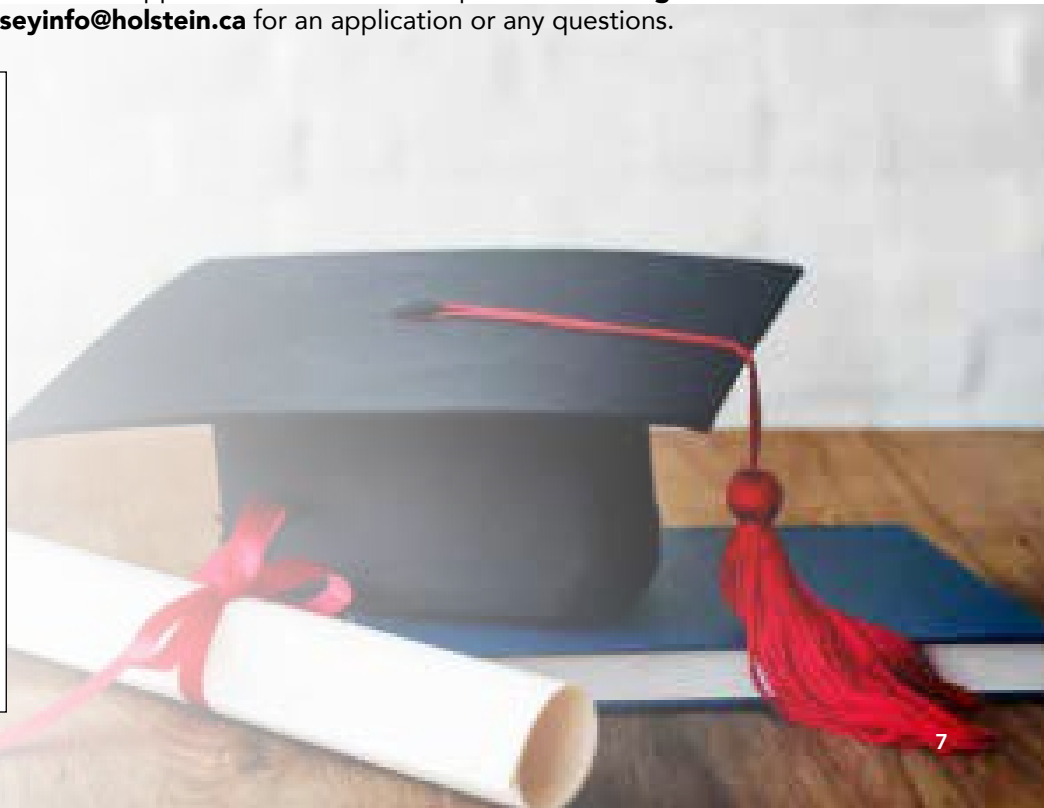

One scholarship of \$500.00 will be awarded to a student enrolled in a college diploma or university degree program. Proof of enrollment must be included with the application. The award will be presented at the National Guernsey Show in September.

As part of your application, please answer the following questions:

**Scholarship Questionnaire**

1. Education: Describe the main synthesis of your course of study and your reasons for your enrollment in the program.
2. Farm Experience: Provide a detailed explanation of all duties and responsibilities you assume on your home farm and other farms.
3. 4-H and/or Junior Farmer: Give years of membership and achievement awards. List total number of 4-H clubs completed and associate positions held. List all offices held and activities you were part of when in Junior Farmer.
4. Explain what 4-H and/or Junior Farmer have done for you in terms of personal growth, education, etc.
5. Goals: Provide a short essay on your career goals (need not be agriculture related).

Tel: 1-877-786-8332 Home: 514-782-0100 Email: [Guerseyinfo@holstein.ca](mailto:Guerseyinfo@holstein.ca)

# Registrar Message

## SPRING UPDATE FROM THE REGISTRAR'S OFFICE

Hope your year is off to a great start! As the weather warms up and summer approaches, it's a great time for a quick update from the Registrar's Office.

Here's where things stand so far in 2026

January 1 – March 31:

- 1 new member has joined the Association
- 54 registrations have been completed
- 41 classifications have been completed

Numbers have stayed consistent compared to the same period in 2025.

### **Falling behind on registrations?**

No worries, we're here to help! Reach out to see if you qualify for our catch-up program.

### **Wondering how to submit a registration?**

- A fillable registration form can be found online at [www.guernseycanada.ca](http://www.guernseycanada.ca), you can email your completed registration form to the Registrar's office at [guernseyinfo@holstein.ca](mailto:guernseyinfo@holstein.ca).
- Submit your registrations through your Holstein web account via the "Dairy Breed Applications" tab.
- Electronic Registration Application (ERA): Use your existing records prepared from your on-farm software to register animals
  - o Helpful how-to guides available:  
[www.holstein.ca/Public/en/Services/Registration/How\\_to\\_Submit\\_Registrations](http://www.holstein.ca/Public/en/Services/Registration/How_to_Submit_Registrations)

### **Sold/ purchased an animal?**

Please submit your transfer form directly to the Registrar by mail or email. Make sure to include:

- A copy of the certificate of registration (An electronically submitted transfer application or written/electronic agreement is also acceptable)
- The date of transfer
- The seller's signature or written approval

I will be starting my maternity leave at the end of May. While I'm away, the customer service team will be overseeing your work and will be happy to help with anything you need. If you have questions or require assistance, please feel free to reach out to the Registrar's Office at [guernseyinfo@holstein.ca](mailto:guernseyinfo@holstein.ca) or by phone at 1-855-756-8300 (# 5 for Dairy Breeds, then #4 for Guernsey).

Warm regards,  
*Isabelle Passarette*  
Registrar

# Fieldman's Reflections

GRASPING GUERNSEY  
OPPORTUNITIES!!

Somehow it is the latter part of April as this report is written. The variety of weather across Canada during the winter and the first month of spring has been astounding! Many days have been a demo of two or three seasons. Despite this volatility, prospects for the Guernsey breed remain very good!

The Board has reviewed goals for the breed in this country and updated them. See the new goals elsewhere in this issue! If you have comments or questions regarding these goals, please contact a Board member or the staff team. If everyone works together the position of the breed will improve. Growth, expansion and greater visibility are in our future!

Virtual and in person attendance at the Annual Meeting was great and participation was excellent. Jim Van Patter, our guest speaker from the USA, unpacked a large amount of valuable information. He stimulated a lot of questions regarding managing Guernsey's and dairy cattle in general for profit and answered the questions well. Jim's presentation was recorded, the admin team in Brantford would be glad to send you the recording. Just contact them at [guernseyinfo@holstein.ca](mailto:guernseyinfo@holstein.ca).

We are excited about upcoming events-the summer picnic, hosted by the Gordon family, near Rockwood, Ontario in July-see details elsewhere in this issue; the National Show at Ancaster on September 24th with dairyman Reggie Dillman from Nova Scotia serving as Judge and possible inclusion of Guernsey lots in a multibreed sale hosted by the Canadian Milking Shorthorn Society!

One of the prime forward steps in this decade has been Association support toward the cost of genomic testing. The program has facilitated the genotyping of hundreds of head of Guernsey's across the country. We know there are more animals to be tested, and of course new Guernsey heifers arrive every day!

Guernsey owners have participated in this program with great enthusiasm. The more animals tested the higher the reliability of Guernsey genetic evaluations become. Genetic Improvement is key to expanding the breed. Please contact us with questions or comments about beginning or catching up with registration work or genomic testing, classification service or other genetic improvement tools.

Our active participation with social media work has grown our number of followers to over 7250 at this writing. Please send us photos or videos and comments about your Guernsey's! Let's keep the amount of Canadian content high as we also celebrate Guernsey progress and growth around the world. We'll be watching for your submissions, let's inform the world of how valuable the Guernsey breed is! Also looming on the mid-term horizon is the exciting prospect of Canada hosting the World Guernsey Cattle Federation (WGCF) International Conference in the summer of 2029! We will work closely with the hosts of the 2026 Conference in Australia and the WGCF Executive to host a topflight experience for international guests!

Gosh, there is a lot happening!

Let's pull together for a bright future for the breed!  
Onward!

*Russell Gammon*

*join the movement*

**Fairs and shows are an important part of the dairy cattle traceability chain.**

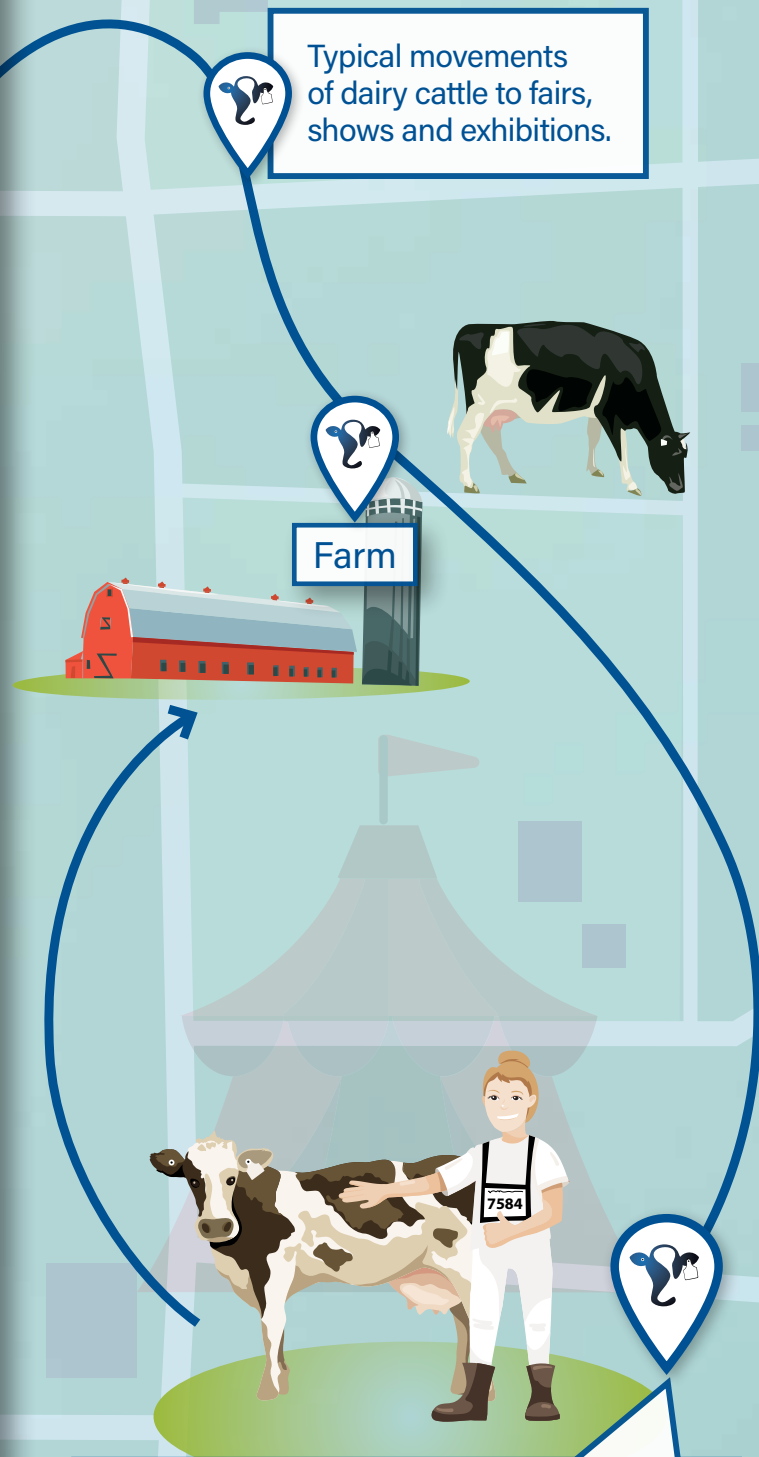

This infosheet provides a quick overview of how fairs can easily report dairy cattle traceability events to DairyTrace, Canada's program for dairy cattle traceability.

## TRACEABILITY IS EASY WITH ASSISTEXPO

DairyTrace has collaborated with AssistExpo to make it easier than ever for fairs to report traceability events. With a few simple set up steps, dairy animal arrivals to and departures from fairs can be seamlessly reported from AssistExpo to DairyTrace, helping to protect our entire sector.

## Infosheet for fairs, shows and exhibitions

Typical movements of dairy cattle to fairs, shows and exhibitions.

Farm

### Fair

- Set up a DairyTrace account
- Know and share the fair Premise ID (PID)
- Report dairy cattle movements to DairyTrace

# Production Records

## GUERNSEY SUMMER PICNIC

The Canadian Guernsey Association Summer Picnic

### MARK YOUR CALENDARS!

This year's Summer Picnic will be held on  
Saturday, July 18th, 2026.

We are excited to announce that our host will be the Gordon family at:  
**BYDAND FARMS**

Located:  
5436 WELLINGTON CTY. RD. 29 RR 5 ROCKWOOD ON

## ANCASTER GUERNSEY SHOW

Thursday September 24, 2026 | 4:30 p.m. | Ancaster Fair Grounds

Judge: Reg Dillman

Looking forward to seeing you there at the show or in the stands!

# Guernsey News

## 2026 SCHEDULE

- May**                      **Newsletter (submissions due by April 1)**
- August**                **Newsletter (submissions due by July 15)**
- December**            **Newsletter (submissions due by November 15)**

We are always looking for advertisement submissions for our Guernsey News! **New discounted rates for advertisement frequency in multiple newsletters.**

If you could please provide any advertisements in the below format: Wording for art work specs i.e. design specs – CMYK at 300 ppi in PDF format. We encourage you to submit Camera ready / Completed ads to take advantage of an additional 25% discount.

If you need help putting an advertisement together kindly reach out to Emilie Wallace, and we can look into this on a case by case basis for costs to do ad layout.
