President's Ramble

Guernsey Friends:

From a late wet spring to a hot humid summer, that has a thunderstorm every other day. We are reminded of how vulnerable our industry is to circumstances beyond our control. As the show season approaches, we look forward to a strong National Show at the Ancaster Fairgrounds. This will be a great opportunity to see Guernsey's in competition and be able to socialize with fellow breeders and friends. I wish all the best for all the Guernsey youth that are showing their 4H calves in shows around the country. Congratulations to the winners of the breeders cup.

Milk and love our Golden Girls, we will see you on the Golden trail along the way.

Well, well things have been hopping in the months since the 2019 Journal was released!

Here is a summary of happenings since then:

We have focused a portion of our energy on making social media posts via the Canadian Guernsey Association Facebook page. In May and June, we made 26 posts each month and in July to date...this article is being prepared on July 23rd we have made 34 posts. Those who are good at mental math will know that this equates to 86 posts! We can safely say that we'll hit 90 posts in these three months. Maybe close to 100!

Some interesting trends have arisen. When you make regular posts people will either send you photos and stories for possible use, or, they will direct you to sources of great, relevant information. We've had both these things happen and are very appreciative!

We have attempted to include photos from as many regions and provinces as possible. We have also gone outside the borders of our country and used photos/stories from other countries where Guernseys are making worthwhile accomplishments or where scenic Guernsey shots are available.

So, here's where you come in! Yes, we have some asks!

1. If you are a social media user please comment on and share any of our Facebook posts that appeal to you! This will drive attention to our Facebook page.
2. We currently have about 1,425 likes and almost 1500 following. Will you please invite, encourage any of your family and friends who might be interested to like/follow our page.
3. Feel free to save and repost photos and/or stories on other forms of social media-Instagram, Twitter, etc.
4. Send us photos of and stories about Guernseys and Guernsey people that we can utilize to keep our number of posts growing and the page active. Or, let us know about sources of great Guernsey information! Together we can raise the profile of the breed, Guernsey milk, and products created from it, and the Association and its services!

Various events have happened since creation of our last article!

A successful World Guernsey Conference was held in the United States in late May and the first half of June. Jim and Ruth Eby of Eby Manor Farm near Waterloo, Ontario took part in the entire conference tour program before, during and after the conference. I was able to attend one evening and two full days of the actual conference itself in Lancaster, Pennsylvania. An excellent roster of speakers identified challenges facing the breed in its current status and presented information on strategies that could be adopted for future progress and growth. Jim was a speaker on a panel focusing on processing and marketing of Guernsey milk which was one of the highlights of the conference. I presented a factual country report for Canada.

Eby Manor hosted a successful Open House/Farm day on July 6th which allowed hundreds of people to better understand modern day farming practices and animal husbandry and the benefits of nutrition-rich Guernsey milk. It was encouraging to listen to a local chef who works in the higher end restaurant trade enthuse about his love for Guernsey milk and the products that can flow from it! Events like this are such good promotion for the breed. They can also attract folks who are in the dairy industry but not yet milking Guernseys!

A very productive Board meeting was held in June. Numerous practical and thoughtful decisions were made during the meeting. Watch for changes to roll out and advancements to be made as programs are revised or introduced. The Board will be discussing creation of a practical strategic plan for the future of the breed.

**** Of special note is the fact that awards for 4-H members showing Guernsey calves are now available to 4-H members ANYWHERE IN CANADA completing a project/club with a Guernsey calf during 2019. Formerly this was an Ontario Association project! Thus, if you know of 4-H members completing Guernsey heifer projects this year please have them, their parents, or their 4-H leaders contact the Head Office at info@guernseycanada.ca or by phone and the process for sending recognition awards to members will be started! Let's set a new modern era record for number of awards sent to keen 4-H members! #letthefuturebegin!! ****

A wonderful Niagara Guernsey picnic was held on a very hot Saturday, July 20th with the Comfort family of St. Ann's acting as gracious hosts. We counted over 30 folks present and everyone had a super time! Results of the Ontario Breeders Cup judging were announced and are reported elsewhere in this newsletter. All companies were very enthusiastic donors of prizes with ST Genetics, EastGen and Select Sires Canada/Generations all providing prizes. Kathy Merminod from ST Genetics was there to present their award. She commented on the company's rising interest in the Guernsey breed and recent expansion of their offering in sexed and conventional semen.

We are getting ever closer to the date for the 2019 National Guernsey Show in Ancaster.....SEPTEMBER 20, 2019.... show begins at 10:00 am. Ancaster Fair has confirmed that Tom Ripley, our nomination as Judge has agreed to serve in that role. Tom is from the well-known Ripley Farms in New York. One portion of the large Ripley family have become heavily involved in marketing Guernsey milk products. Ancaster Fair have indicated that they will be accepting entries for the show via Assist Expo by the time you read this article! Sponsorship support has been great! We are looking forward to a tremendous display of high-quality cattle! Please plan on exhibiting or attending to cheer your Guernsey friends on!

Interest has been good in the new 2019 Syndicate sire Eby Manor Indigo!

Since publication of the Journal an additional number of American cattle have been purchased by new and established Guernsey supporters in Ontario and Quebec. Many of these cattle have arrived in Canada and some more are being readied for shipment to Canada as this

is written! The interest of the Kaiser family in Quebec in Guernseys has touched off a bounty of interest in the breed in Quebec. We trust this will spell good things for the breed's future in this important dairy province!

Congrats to the West family of Beaverwood Guernseys near Moncton, New Brunswick who are hosting the NB Joint Coloured Breeds field day on August 2nd. Visitors will see the largest milking herd of Guernseys in Canada that day! Good going, West family!

As we were concluding preparation of this article today we had a call from a young man who manages an Ontario dairy herd containing some Guernsey cows. He expressed pleasure at the way their Guernseys were performing in their robot milking barn. He had some questions about availability of sexed semen to expand female numbers and increase overall calf value, breeding ages for heifers and availability of embryos, again to expand the number of Guernseys in the herd. To that end we would ask that anyone who has Guernsey embryos available, or who plans on making some to please let yours truly or Jessie at the Guernsey head office know so that we can establish a list of embryos for sale to meet rising demand. We were totally inspired by the passion and interest of this young man. Let's attract more like him and get Guernsey growth going!

2019 Ontario Guernsey Breeder's Cup Winners

Maplehurst Archie Bingo - the winning third and later lactation cow and Grand Champion from Forsters

Maplehurst Archie Bingo

Comfort Farms Sharon 2 - the second prize animal from the third lactation and later class and Reserve Grand Champion.

Honourable Mention Champion and winner first lactation cows – Maplehurst Toby Gwen, owned by Marlin Bauman

Results 2019 Ontario Guernsey Breeder's Cup Saturday, April 27, 2019

We were totally thrilled to have 18 entries in total this year nominated by six different families!

Kerry Alexander of Maker Jerseys and Holsteins at Rockwood, Ontario was our enthusiastic judge for the day.

CLASS ONE, FIRST LACTATION COWS (10 entries)

1st (Overall Hon Mention Champion) Maplehurst Toby Gwen- Marlin Bauman, Elmira, Ontario

2nd: Maplehurst Pistol Trip-Forster family

3rd: Don Haven Pilot Viola-Gordon family

4th: Eby Manor Jaguar Felicity-Eby family

5th: Comfort Farms Jillian-Comfort family

Judge Alexander's reasons on this large class:

"I placed this winning cow first for her correct set of feet and legs with an exceptional fore udder and overall most correct mammary system.

First places over second due to her long well-blending fore udder attachment as well as more blending and strength through her wither region.

Second places over third due to a more correct rump structure, more overall bloom to the udder also showing more clean bone and a fresher state of lactation.

Third over fourth exhibits more overall balance and dairy strength although giving advantage to 4th on a higher wider rear udder.

Fourth over fifth-fourth cow was more-free of faults (wry tail on fifth) with a higher wider rear udder attachment although not taking anything away from the very dairy correct heifer in fifth.

A pleasure to judge this class. Many shapes and sizes but overall I note the strength of feet and legs particularly flat dairy bone.

CLASS 2 THIRD LACTATION AND HIGHER (8 entries)

1st and Grand Champion: Maplehurst Archie Bingo- Forster

Family, Lynden, Ontario

2nd and Reserve Champion: Comfort Farms Sharon

2-Comfort Family, St. Anns, Ontario

3rd: Shady Haven Bolero Bella-Nobel family

4th: Eby Manor Dawson Wrylynn-Eby family

5th: Maplehurst Legend Cutie-Forster family

Judge Alexander's reasons on the strong class for older animals:

"First and Grand Champion Cow is an extremely balanced cow with strong udder attachments.

She places over second with the strength of attachments and overall width and dairy strength.

Second places over third on the fact that she has had five calves and still exhibits overall balance, clean flat bone with an extremely correct rump and freedom from faults.

Third over fourth-the third cow is an exceptional cow for me. She is placed here due to an extra teat but overall shows extreme depth, balance and width...a very impressive individual! Her tail placement is also more correct.

Fourth placing over fifth displays a cow that shows more overall balance to her udder. Although I grant the fifth place cow, lots of bloom to her udder and a more correct rump.

One again enjoyed this class. I found a lot of strength in rib structure and feet and legs...lots of wider muzzles in these older animals making them great for pasturing.

Thank you very much for asking me! I surely enjoyed the day, your cattle and farms. I enjoyed the barns a lot (it is nice to see tidy older barns that have worked well for years) and can see how much passion you all have for this breed. Keep up the great work!"

Kerry Alexander, Judge 2019

The Grand Champion cow, Maplehurst Archie Bingo is bred and owned by the Forster family. She is a daughter of Sniders Loral Archie and from a dam by Flambeau Manor Tiller Les-ET. at the time of the competition she was classified VG-88. In early July she was elevated in score to Ex-90. She is working on her third lactation with a previous record of 3-4 305 8088 433 5.3% 284 3.5% with BCAs and deviations of 233-249-231 +21 +54 +27.

The Reserve Grand Champion Comfort Farms Sharon 2 is bred and owned by the Comfort family of St. Anns, Ontario. She is a daughter of Golden J Ronald Grumpy and from a dam by Adams Creek Regal Morey. She too was elevated in score in July 2019 to VG 88% from a previous score of VG86. This cow has been a consistent producer of high solids milk.

The Honourable Mention Champion was bred by the Forster family and sold in 2018 to Marlin Bauman and family who farm near Elmira and St. Jacobs, one road west of the Eby family at Eby Manor. Maplehurst Toby Gwen is sired by Ripley Farms Pie C Toby and is from a dam by Coulee Crest Grumpy Legend.

Awards for the top three placing animals were provided by these companies:

- ST Cogent for Grand Champion female
- Select Sires Canada/Generations for Reserve Grand Champion
- EastGen for Honourable Mention Grand

Please submit possible syndicate program pedigrees to Russell Gammon.

Coloured Breed Highlights - August 2019 -

High Stability Seen in the Guernsey Breed

With every breed leading proven sire and cow changing less than 45 points, the lists of Top 5 LPI are very stable this round. One significant change of interest, however, is the switching of the top two LPI sires as Pine Ridge Double L climbs to take #1 LPI (#4 Fat) and his son, Dairyman Double Dawson, slips back to the #2 LPI position (#2 Fat). Trotacre Enhancer Lewis (#3 Milk, tied #2 Protein), Coulee Crest Grumpy Legend (#5 Protein) and Idle Gold E Challenge complete the Top 5 LPI list, in that order.

On the cow side, Eby Manor D L Indy stays solid at #1 LPI (#2 Fat) but it's the two cows that follow her that switch ranking this August. Eby Manor Logo Sylvia continues to make LPI gains and climbs to take #2 spot (#4 Milk, tied #3 Fat, tied #2 Protein), moving ahead of Glen Haven Lewis Lana now at #3 LPI (tied #4 Protein). Lindrian Pamper Bear ET 200 and Guernsey View Urma's Expense both stay firm at #4 and #5 LPI, respectively. The highest newly indexed cow this round is Lindrian Pitty Lightning at #52 LPI, who is a Lightning daughter out of Lindrian Pippy Two.

Welcome to another edition of the Guernsey News. There has been a lot of interest in the Guernsey breed over the last few months as mentioned in Russell's report within this newsletter. The membership is doing a great job of promoting the breed through social media, open houses and various events. Please continue to send your pictures and Guernsey news to Russell as he tremendously takes breed promotion to the next level.

The Board wishes to say thank you to the numerous members who have donated time and money to support the breed through the years. There was a comment at the AGM in March to encourage members to donate to the association through milk cheque deductions or through a straight donation. The amount of the donation does not need to be a lot as any little bit would help. Thank you to the members who have already taken the opportunity to donate and we look forward to more in the future.

Recently at our board meeting conference call, Jim Eby gave an update on the World Guernsey Conference. This report may be of interest to others so the section from the minutes with Jim's comments is printed below.

"The conference was excellent and well organized. They saw a lot of great cattle. They were disappointed with the attendance. There is very little field work completed and farmers are concerned about having enough feed for the fall. It was the most practical conference he had attended. A lot of discussion on genomics and the need to contribute to genomic information. Need to improve conception rates. Hoard Hoards Dairyman - DPR and health traits was their focus to improve conception rates. The American Guernsey Secretary/Manager contract was not renewed. Jim mentioned from the UK country report presented by Digby Gribble there are 14 herds from England marketing Guernsey milk products and winning awards. He also mentioned the UK have exported cattle to a number of countries. There is a focus on marketing Guernsey milk products to add value to farms. Pennsylvania has formed a co-op farm to produce and manufacture Guernsey milk. A2 is something we definitely want to steer toward but not to hang hats on just A2. The world population is 30,000 to 35,000 Guernsey cows. There are a few large herds of Guernseys – one in Australia and Hoards Dairyman. Neil Smith, American Jersey in his presentation indicated the true type model Jersey cow has changed over the years. The Jersey breed focused on breeding, improving the breed and influence how milk is marketed. There is a need for a Global Genetic Guernsey plan, a ranking system to make it easier to compare cattle between countries. The participants

participated in a classification workshop. Holstein has now taken over the classification for Guernsey in the US. They are looking at some changes to the program. The Ayars sale was a disappointment as the internet was down and buyers not able to bid. Jim Eby purchased an animal from the sale. A lot of flooding and still rain during the conference. Next conference will be a week in the UK. Knapps Guernseys, Iowa make as much money merchandising their cattle as they do their milk.

Over the next few months, the Board will be reviewing the production awards for the Guernsey breed to ensure they are still in-line with the path the breed is taking. If you have any comments or input regarding the awards please contact Russell, a board member or the office. As an update on the herd book services for the breed, there were 42 members in the first 6 months of 2019 compared to 39 for the same time period in 2018. For registrations as well the increase is nice with 174 registrations from January to the end of June of this year and 140 for the same period last year. The only downside is for transfers with 25 this year and 62 last year."

The association has been thankful of the funds in the Metro Highlands National Show Commitment to pay for showmanship sponsorship at the National Guernsey show. Unfortunately, the funds have now been used and we are looking for sponsorship for the PeeWee and Junior Showmanship classes. Sponsorship of the other individual classes at the show is \$100. However, normally each year it takes approximately \$450 to cover the payments to the youth for the 2 showmanship classes. Co-sponsors would also be welcomed. If you or someone you know is interested in contributing towards these classes please let Russell or I know.

Stay tuned for new hats coming your way. We are currently sourcing our hat options to have available for sale to promote the breed. Every effort is being made to have them for purchase at the National show.

This year the National Guernsey show will be held on Friday, September 20 with all entries required by September 13th. The link for the entries is <https://www.assistexpo.ca/ancasterfair> then find "National Championship Guernsey Show" in the drop-down menu under "shows". Once again, thank you to our exhibitors and sponsors who support the show. Hope to see you at the show on the 20th.
