President's Message

Well it's hard to believe another year is almost gone. I would like to say congratulations to all the winners at our national show. I would like to say congratulations to all the 4-H members that chose a Guernsey calf this year. Also, I would like to say Season's Greetings to everyone until next time. Milk and love our golden girls.

Morris Bartlett

BREEDER PROFILE

BEAVERWOOD FARM

PREFIX: BEAVERWOOD

PEOPLE INVOLVED: Gary and Sue West and their sons Leith, Blake and their families

OF YEARS AS A GUERNSEY CANADA MEMBER: over 42 years

OF COWS MILKED: 75 to 80

OF ACRES FARMED: 400

FACILITY TYPE: Free-stall with a double 5 herringbone parlour

HERD PRODUCTION AVERAGE (L/cow): 25 L/cow, 5.1% fat, 3.7% protein

WHAT IS YOUR FEEDING SYSTEM? Grass silage with a computer fed complete feed (pasture in the summer months)

ARE THERE OTHER BREEDS IN YOUR HERD? 2 Jerseys, and beef animals. We also keep all our steers and grow them out for beef.

GUERNSEY CANADA SERVICES USED: Registration

1. What made you choose the Guernsey breed?

Walter West (our grandfather) originally purchased the farm's first Guernsey in 1952 after an Agriculture Canada rep had introduced (and promoted) the breed to him. The herd then transitioned to Guernseys. Prior to this it was a mixed herd. We continued with Guernseys for many reasons, their quiet nature made them excellent to work with, especially for our children.

2. What advantages do you feel the breed offers?

With our Guernseys we have high butterfat with no extra feed supplementation (ie palm fat). We also find that they eat less than Holsteins and yet maintain good body condition; they have excellent feed conversion and work very well in a pasture system. We never have issues with feet and legs. They have excellent components, and have the advantage of carrying A2A2. We find they are a good size for our facilities as well, as their stature is not too large.

3. Do you feel that these advantages offer different herd management opportunities?

They certainly do for us! Where we are located in New Brunswick the local climate does not allow us to grow corn

and alfalfa productively, however we can grow good quality grasses and clover. Our Guernseys are able to utilize the grass silages well; they can be productive and still maintain good body condition whereas other breeds may not perform as well.

4. What traits do you emphasize in your breeding program?

Really, we are looking for a healthy, productive, cow with good longevity. Specifically we look for good udders, especially good front attachments. We also breed for animals of moderate size, good components, and production. We do not put a lot of emphasis on feet and legs, as we feel that is a strength within the breed and it has not posed any problems for us. For example, foot health issues, such as DD and lameness, have been a non-issue in our herd.

5. What challenges have you faced?

We do find it challenge to find diverse genetics to add to our herd, although we do feel that it is improving. We have had more bulls available through Select Sires and ST Genetics, as well as the syndicate through the Guernsey Association of Canada and Semex. This has allowed us more access to high quality bulls like Eby Manor Indigo.

On a herd management level, we have had issues with age at first calving. As Guernseys are typically smaller, we have to breed them at an older age to ensure that they are physically set up for success at first calving. Ideally, we would like to have a target of 24 months at first calving, but we are currently at 28 months.

6. What are your plans for the future?

In the future we would like to build a new barn, not only focusing on cow comfort, but also to improve labor efficiency. We are considering robots for our herd, as we feel that it would provide us with greater flexibility.

Really, we
are looking
for a healthy,
productive,
cow with good
longevity.

FIELDMAN REFLECTIONS

Wow! Things have been busy since my last report to the membership! Here is what we have been up to and what we see ahead:

The Niagara picnic at Comfort Farms in July was a great event! Attendance was wonderful and it represented a super opportunity for folks to discuss Guernsey matters at a farm where dedication to guernseys runs high!

On personal trip home to Nova Scotia in September I did get to spend a day travelling with the Dillman family from the well-known Musqie Valley Farm who had just started housing some Guernseys in partnership with Bruce and Jennika Fuller of Fullerview Guernseys. We had a wonderful visit with the Fullers. We saw their great herd of flashy heifers and some dry cows. Since that visit the Dillmans have expanded the number of Guernseys in their herd, again all in partnership with the Fullers. After the Fuller visit I stopped in at the Dillman's farm to see their first two Guernseys.

In addition, I had a great visit with Michael Sandeson at his home and farm near Truro. Mike is a former President of the CGA and remains passionately committed to the breed. On my way to the Halifax airport I did get to see the four

members of the Sandmoor herd who are housed with the MacDonald family in Hants County, NS. The MacDonalds are converting to robotic milking. It will be interesting to see how the Sandmoor cows adapt to this technology.

The National Guernsey show at Ancaster was amazing! Tom Ripley of New York did a super job judging! It was great that Mrs. Ripley could accompany him to Ancaster too! The quality of the show was terrific, and the ringside was healthy!

After the National show I spent a day on the road with Bruce and Jennika Fuller, visiting the Forster, Eby and Comfort Guernsey herds and Upper Canada Cheese. Thanks to everyone for a warm welcome!

I made a stop at Eby Manor Farms open house in early July. This was a great day for educating the public about dairy cattle and specifically the Guernsey breed and Golden Guernsey fluid milk and other dairy products and with a mention of Guernsey beef too!

We have been thrilled by demand for our new Guernsey hats and congratulate Jessie for making this whole process happen. There may be a few of the first order left! As great

looking as you already are you can look even better with one of these hats on!

Rockton Fair was another good day for the Guernsey breed with a strong show and again, a very good ringside.

I am deeply impressed by the ability of Guernsey owners to interact with the public and explain dairy farming and the merits of Guernseys and Guernsey dairy products to the general public! This is a very important action for all of agriculture! Keep up the good work!

In ongoing action, we are establishing a formal agreement with Holstein Canada regarding field services in Western Canada (Manitoba west) and the four Atlantic provinces. This work will be actualized by early 2020.

A committee has been established to work on a framework for a strategic business plan for the CGA. By AGM time in March a report will be forthcoming.

Many social media posts have been made and we'll be getting back on track regarding this work in December and January!

We continue to be aware of how blessed CGA is to have Jessie Weir as our lead employee! No matter what needs to be done Jessie does it! You are gift to Guernsey, Jessie!

That's it for now! Have a great Christmas season and get ready for an exciting 2020!

Respectfully submitted,
Russell Gammon

PHOTO CONTEST! *KEEP SNAPPING!*

Please continue to forward your candid Guernsey pictures to the office.

The winner of the picture contest will have their winning picture on the cover of the next Journal.

Coloured Breed Highlights - December 2019 -

Three Sires Achieve Official LPI Status in the Guernsey Breed

Marodore Gary Pistoll (Gary x Yogibear) is newly proven for both production and type this round and lands at #27 LPI, combining good production (#5 Milk, tied #10 Fat, tied #5 Protein) with below average Conformation. Two other sires receive their first official type proof, and therefore LPI, this round including Marodore Aarons Levi (Aaron x Luxury) at #21 LPI and Indian Acres Phoenix-ET (Goldust x Magicman) at #51 LPI and is tied at #2 Conformation with +10. The breed-leading duo of Pine Ridge Double L (#3 Fat) and his son, Dairyman Double Dawson (#2 Fat), maintain their #1 and #2 LPI rankings, respectively. Coulee Crest Grumpy Legend climbs to take #3 LPI (tied #7 Protein, tied #9 Conformation) and his sire, Golden J Ronald Grumpy, does the same to grab #4 LPI. Idle Gold E Challenge and Trotacre Enhancer Lewis (#3 Milk, tied #6 Fat, tied #2 Protein) share #5 LPI position this round and complete the Top 5 list.

For cows, the group of Top 5 remain the same as last round with Eby Manor D L Indy holding on at #1 LPI (#2 Fat). After achieving some gains this December both Lindrian Pamper Bear ET 200 (tied #7 Conformation, leading dam of Top 400 LPI cows) and Guernsey View Urma's Expense (tied #7 Fat) climb the ladder to take #2 and #3 LPI positions, respectively. They now move ahead of Glen Haven Lewis Lana (#4 LPI, #9 Milk, tied #5 Fat, tied #2 Protein) and Eby Manor Logo Sylvia (#5 LPI, #8 Milk, #4 Fat, #5 Protein), who round off the list of Top 5 for LPI. The highest newly indexed cow this round is Eby Manor Jaguar Faith at #26 LPI, who is a daughter of Springhill Jokes Jaguar out of Eby Manor Vance Fern.

Administrator Message

After more than a few months of uncertain weather for planting, haying and harvesting, hopefully your crops are off and you now have time to catch up on the other duties awaiting your attention. The seasons seem to change so quick and this past year has been no exception for moving quickly. The one thing that does not seem to change is the wonderful people and organizations who continue to financially support this association. A special thank you to Semex for their cash donation to support our AGM, EastGen for their annual sponsorship cheque, members who donate through a deduction from their milk cheque, the members who donated at and following the AGM, our national show sponsors and our directors who give of their time. The Guernsey association is so blessed to have a number of caring and giving members and associates.

The national show was once again a success and results are printed in the newsletter for your review. The board is happy to mention there were 3 halters given to first year 4-H members showing a Guernsey this year and 15 gifts to other Guernsey 4-H members. Nice to see so many interested in the Guernsey breed from the younger generation. Also exciting to have in this newsletter is a member profile on Beaverwood. Thank you to Natasha McKillop, Holstein Canada for her help with facilitating this project and for taking the pictures.

The Annual General Meeting date has been set for Wednesday, March 25th at EastGen, Guelph, ON convening at 10:30 a.m. Make sure to mark your calendar and plan to attend. This year we have another great guest speaker scheduled to enlighten and entertain. Tim May (Farmer Tim), Rockwood, ON is passionate about the dairy industry, agriculture in general, educating the consumer and mental health. We are sure you won't want to miss this opportunity.

At this time of year, I would like to give thanks to Russell Gammon who has made this year very enjoyable and who has tremendously promoted the breed at an all new level. It is truly a joy to work with such a positive individual. Thank you to the members and board who make this job a real pleasure. To Holly MacFarlane, thank you for designing our newsletters & Journal to ensure they look so professional. Thank you also to Janine Eygenraam for her continued work & support as our Registrar and the rest of the crew at Holstein Canada who are always willing to help. Merry Christmas & Happy New Year everyone!

Jessie Weir
Administrator

Registrar Message

It's the end of the year already! Just a quick update from the registrar's office to let you know how it's going in the office: the Guernsey herdbook has been fully transitioned to a new software. In 2020 we will continue to review and look for efficiencies. All Guernsey work is currently up to date. If you are missing anything or have any questions, please let me know. Thank you for support and patience during my first year working for you. It has been a pleasure getting to know you! Wishing you and your family a Merry Christmas and all the best for 2020.

Janine Eygenraam

Registrar

2020 Newsletter & Journal Schedule

May – Journal (copy due April 1st)

August – Newsletter (copy due July 15th)

December – Newsletter (copy due November 15th)
