## **President's Address 2017**

---

Hello Ontario Guernsey Association

Hopefully everyone has enjoyed the cold winter we've had, and that their Guernsey cows are all well and healthy.

I am always happy to see the breed is well represented at the local fairs. Continuing to show the public the beauty of the Guernsey and educate them on all the benefits their milk has to offer.

At our local fair this past year we were able to use the Guernsey cows for the milking demonstration. Although the biggest educating thing people took from the demonstration was that brown cows don't give chocolate milk, it was still important to show them and represent the milking brown and white cows.

A little bit cooler summer than normal made for great pasturing conditions for our cows. People continue to stop, take pictures and tell us how much they love seeing the brown and white cows grazing peacefully out in the pasture.

Hopefully 2018 we can educate the public even more on all the great things our breed has to offer.

Wishing everyone a great and successful year for 2018.

Respectfully Submitted  
Colin Comfort
