PRESIDENT'S RAMBLE

Greetings!

It's hard to believe that another year is drawing to a close and I must admit that I'm not sad to see it go. As farmers, we are at the mercy of the weather and extremes seem to be the new normal. After a quick transition from a wet winter to a dry spring, we entered a period of never-ending heat and humidity that persisted until early October. The autumn foliage season only lasted a few days with an early winter storm bringing an abrupt end to my favourite time of year.

Another thorny issue of the past year has been the trade deals and how our Canadian dairy industry is constantly used as a bargaining chip by politicians. Our elected leaders continue to vow their support for our industry while our domestic market erodes with more dairy imports. At the present time, we are still unsure of the

full implications of this last deal, but it appears once again that we have been thrown under the proverbial milk truck.

Christmas is a time to look forward to a new year and to concentrate on family and friends. We can be appreciative and thankful for the good things in life and our shared passion for the Guernsey breed.

Wishing you and your families a Very Merry Christmas, and a Happy, Healthy and Prosperous New Year!

Alan Spence

*****This schedule is subject to change within a 1-2 week period*****

As I write this end of year report, I always take a look back at last year's report to see if anything has changed. For the most part, little has changed except that the opportunities for the Guernsey breed to grow are as available as ever. Eby Manor and Upper Canada Cheese continue to make progress and gain market growth as the general public latch on to the health benefits and quality taste of the milk and spinoff products. The political atmosphere has made some breeders uneasy regarding their future in this industry; however, the Guernsey breed is proving to be a logical alternative. When the milk board decided to change their marketing strategy and deem that "milk is milk" no matter what breed of cow produces it, could not have been more wrong. Obviously, the milk board has since changed their tune otherwise Eby Manor and Upper Canada would not exist as they do today. Consumers are making more informed decisions regarding their food consumption and the milk board has made it possible for Guernsey products to supply these niche markets. One thing to consider; what happens when the niche market for Guernsey products become mainstream? You may say, "Not so fast", but considering that our domestic supply has recently shrunk due to trade agreements, it is not unreasonable to think that the Guernsey breed will be an attractive alternative to provide healthy products to the general public. A smaller breed like ours has much to offer; most importantly; a superior product! As well, demand for animals continues to exceed supply! This is still a good problem to have however as the popularity for Guernsey products grow we need to be ready for that demand to be met. Inquiries still exist for "house cows", but at some point; there will

be an increased number of inquiries made for animals to be added to converting or existing herds. This is exactly what is needed for Guernsey growth!

This year's Canadian Guernsey National Show was down slightly in numbers from last year; however, the quality of animals exhibited by the breeders remains at a high level. Many thanks to Jessie Weir for scorekeeping and announcing, Harry Emmott for serving as our ringman, Stephanie Murphy as our official judge, Frank Robinson as our photographer, and to our many class sponsors and exhibitors for participating. Congratulations to Jocelyn Forster, Abby Cocking and Katie Cocking for representing the Guernsey breed at the TD 4-H Classic at the Royal.

Our first young sire entrant into the Canadian Guernsey Association program, Lindrian Grumpy Pilot will have enough daughters to qualify for both type and production proofs in December. Our next entrant (Eby Manor Indigo) is currently in isolation with semen expecting to be released in the new year.

As always, from my family to yours, have a safe Holiday Season and Merry Christmas!

Soon, there will be a new voice on the other end of the Guernsey customer service line. Since 2016, Annie Coté has been your Herdbook contact for Guernsey. This past month, Annie has decided to fulfill her lifelong ambition and will now be working in the cruise industry. The next time you see her, it will be on a boat, at sea or in a foreign country. Ships Ahoy Annie.

Holstein Canada is actively recruiting a replacement to replace Annie and in the interim, we assure your work will be taken care of. At Holstein Canada a variety of roles are available, from classifier to customer service representatives and can be found on our website www.holstein.ca. We encourage dairy people of all breeds to have a look and see if you are interested.

We will soon be transitioning to a new internal software to use as your Registrar. Our business technology solutions team are working on the software installation, integration of historical data and

development of new data entry. The transition will start December, during this time there could be some small-unintended errors along the way. If you notice, anything please let us know. We appreciate your support, friendliness and courtesy through the next set of changes.

Merry Christmas and Happy Holidays to all Guernsey lovers.

Coloured Breed Highlights - December 2018 -

“Pilot” Makes an Interesting Entrance Among Guernsey Sires

Young sire graduate, Lindrian Grumpy Pilot (Grumpy son out of Lindrian Garrett Pippy 465) receives his first LPI at 1000 points and grabs #9 position. The breed leading trio for LPI reverse their order as Dairyman Double Dawson increases to take #1 LPI (#2 Fat) and is followed by his sire, Pine Ridge Double L (#2 LPI, tied #3 Fat) and the former LPI leader, Trotacre Enhancer Lewis, now at #3 for LPI, Milk and Protein. Idle Gold E Challenge and Golden J Ronald Grumpy stay solid in their #4 and #5 LPI positions, respectively. For cows, the Top 5 LPI list remains exactly the same as last round, including Glen Haven Lewis Lana (#1 LPI, tied #5 Fat, #3 Protein), Eby Manor D L Indy (#2 LPI, #2 Fat), Lindrian Polite (#3 LPI, #1 Milk, #4 Fat, #1 Protein), Guernsey View Urma's Expense (#4 LPI, tied #5 Fat) and Guernsey View Winner's Zuri at #5 LPI. The highest newly indexed cow this round is Eby Manor Logo Sylvia at #8 LPI, who is a daughter of Eby Manor Gary Sasha.

Another year has come and almost gone again! I swear they go by quicker every year. This year has been a steady as it goes kind of year. With a lot of change and buzz in the industry, the association has continued to remain strong with relatively little change. The latest event was the national show which was once again quality through and through. Thank you to the exhibitors, sponsors and helpers who made the show possible. The next big show was the TD Canadian 4-H Dairy Classic at the Royal, which the board was happy to sponsor 3 young ladies with their Guernsey calves. Congratulations to Jocelyn Forster, Abby & Katie Cocking for their participation at this level and for proudly promoting Guernsey.

As we begin making plans for next year, it is time to mark your calendar with the date for the next Annual General Meeting. The next AGM will be held on Thursday, March 21st at EastGen, Guelph, ON. Please RSVP prior to the meeting so we have enough food for everyone at lunch time. The guest speaker has not been determined for the AGM, so if you have any suggestions or ideas please let me know.

Congratulations to Marie & Ken McNabb for receiving the Senate of Canada 150 Medal. The medal, created to mark the 150th anniversary of the first sitting of the Senate on November 6, 1867, allows Senators to recognize Canadians who have

made significant contributions in their communities. Senator Rob Black presented both Marie & Ken their medals at the Waterloo 4-H Awards Night, in recognition of their hard work and commitment.

To the staff at Holstein Canada, thank you once again for your continued service to the breed. A special thank you to Linda Markle for your help, guidance and support as we continue to improve the options for our Guernsey members. I would also like to thank a very special lady Holly McFarlane who makes the newsletter and Journal look beautiful each time and for her talent at capturing some amazing Guernsey pictures.

At this time of year, I wish to say thank you to the Board of Directors, Rob Forster and our Guernsey members for their support and help throughout the year. From my family to yours, wishing you the gifts of the season – Peace, Joy and Hope. Merry Christmas and a Happy, Healthy, Prosperous New Year in 2019!

Season's Greetings,

Jessie Weir
