Hello Ontario Guernsey Association and Welcome to new members!

Another year has come and gone, and were happy to see the breed continuing to grow. As its looking now we'll finally be able to gather and have shows again, while getting out and advertising/showing support to the Guernsey breed.

We were fortunate in our area this year to have perfect conditions for growing crops and hay this year. We had some of our highest corn yields we've seen in our area and great nutrient samples from the corn silage too.

This year our farm has started the process to update our facilities and build a new free stall, robot milker barn. We are very excited to be moving forward and hopefully by late fall we'll have the cows in the new barn.

I would like to thank Jessie Weir for all her hard work she has done for the Ontario Association and wish her all the best in her future with EastGen. We are looking forward to working with Holstein Canada.

Wishing everyone a happy and healthy year in 2022,

Respectfully Submitted

Colin Comfort
